MONTANA MAN TAKES FIRST AT COAST CONFERENCE MEET

Shaffer Heaves Discus 144 Feet; Blumenthal Wins Shot Put in Olympic Tryout

John Shaffer, Grizzly track star, took first place in the discus throw in the Pacific coast conference meet, which was won by the University of Oregon Saturday. Oregon won by garnering a large number of points in the jumps, the pole vault, and taking third in the mile relay. Al Blumenthal, who was ineligible for the conference meet, took first place in the shot put in the Olympic tryouts at Eugene Saturday with a heave of 43 feet 4 inches, three and a half inches further than Richards of Stanford, the runnerup.

Shaffer's heave entitles him to a chance for the final tryouts for the American Olympic team to be held at Boston around June 15. If the money cannot be raised by the athletic board to send Shaffer to Boston there is a possibility that he will accept the chance he has received to represent the Spokane Athletic club at these tryouts. Suggestions of a student subscription to raise the necessary funds have not been approved yet.

Bozeman business men started yesterday to raise sufficient funds to send three Aggie athletes to the Olympic tryouts at Boston, the men being Ted Cogswell, sprinter; Ed Bunney, half miler, and Lester Bachman, distance runner. Students and faculty members for the State College will raise part of the fund to send these men.

Oregon gathered 37 points to win the Eugene meet, Washington finishing second with 36, and Stanford and Oregon Agricultural tying for third with 27 points. Idaho was fourth with 17, Washington State fifth with 16, and Montana sixth with 5 points. Dodge of O.A.C. broke the only record shattered at the meet, lowering his own time of 1:56 4-5 to 1:56.2 in the half mile. Spearow of Oregon was high man of the meet with a total of 13 points. He won first in the high jump and pole vault and second in the broad jump. Art Tuck, a Spokane Athletic club entry in the Olympic tryouts, threw the javelin 194 feet 3 inches.

Coach Stewart and the Montana team, composed of George Axtel, Milton Ritter, and John Shaffer, returned Monday morning from the meet. Blumenthal accompanied them.

EIGHT WOMEN CHOSEN AS DORMITORY LEADERS

Were Elected by Vote of Hall Residents and by Dean of Women

Eight freshman women have been chosen to serve as leaders in Craig and North halls next year. These women were chosen by popular vote of the freshman residents of the halls and by Dean Harriet R. Sedman.

The women selected are: Eleanor Stephenson, Annabelle Desmond, Alice Lease, Marguerite Hughes, Mary Jo Dixon and Jewell Clapp, as North hall representatives; Doris Rouse and Sarah Haight as Craig hall representatives.

Last year was the first time that the leadership plan was tried, when each sorority chose a member from their group to serve as leader in the hall during the year. The eight women chosen to be leaders of the two halls were selected from a group of about 100 women.

Helen Newman Crowned May Queen At Fete Held on Oval Thursday

The annual University May Fete was presented on the oval Thursday evening. Helen Newman was May Queen. "The Birth of the Flowers," by D'Arcy Dahlberg, was the manuscript used for the fete.

The awakening of Spring was the theme of the May Fete. Upon a meadow covered with old snow and dead grass came King Winter, who was immediately chased away by the Raindrops and the South Winds. Lord Sunshine then entered, followed by the Sunbeams, Golden Butterflies and Fireflies. He ordered that the flowers be born, and the Butterflies awakened the Buttercups and the Wild Rose. The May Queen then entered, followed by her attendants and a procession of country folk. They led her to the throne, crowned her with a garland which they had woven for her, and in honor of her coronation, wound the May Pole.

Solo dances were given by Nan Walsh as King Winter, Jean Haviland as Lord Sunshine, and Alice Lease as the Wild Rose. Those who directed the various dances were Nan Walsh, Rita Jahreis, Marion Prescott, Amanda Velikanje, Dorothea Rector, Nina Moore, Virginia Bartles, Cathryn McRae and Helen Carson.

Those in charge of the production were: Marian Fitzpatrick, general manager; Beulah Trotter, business manager; Mary Laux and Rita Jahreis, dances; Victoria Mosby, dramatics; Winifred Wilson, advertising; Newell Robertson, costumes; Imogene Newton, programs and tickets; Dora Dykins, pianist; Lurena Black, field manager.

The performance was held on the oval this year instead of on Dornblaser field, as it was last year. Bleachers were arranged around the oval to take care of the 500 spectators.

Miss Kelley and Mrs. McKenzie entertained Friday evening in honor of the visiting delegates. Mrs. Harriet Gardner gave a luncheon at the Blue Parrot Saturday afternoon for the installing officers. Sunday afternoon, Sigma Kappa gave a tea for the University at large.

COACH STEWART ANNOUNCES SCHEDULES FOR 1924 TEAMS

New Election Planned for Yell King Office

Due to the ineligibility of Jack Norvell as next year's Yell King a special election has been called for Friday for the purpose of electing a new Yell King.

All those desiring to apply for the office have been requested to submit their petitions to Winifred Wilson, ASUM secretary, by 4 o'clock tomorrow.

The committee, composed of Solway Andresen, chairman, Nat McKown and Doris Kennedy, who served at the regular election held recently, will have charge of this special election.

CAMP LEWIS MEN WILL LEAVE SOON

Ten Students to Attend ROTC Camp for Military Instruction

Ten university men will leave next week for Camp Lewis, Washington, to take the six weeks' summer course offered by the ROTC, according to Major George L. Smith.

James Bates, Marion Burke, Keith Browne, Jack Coulter, Phil Ring and Maurice Williamson will take the advanced course work, while Steven Hanson, William Livingstone, Norvald Ulvestad and W. E. Working will take the basic training.

The camp opens June 13 and closes July 23, 1924. Only a few of the Montana men will be able to report on time because of the fact that several of them have late examinations. This difficulty will be taken care of by Major Smith when the roster is sent to the camp authorities.

The first few days of the camp period will be devoted to equipping the men for the six weeks' period. The regular work will commence Monday, June 16. Two weeks will be devoted to rifle marksmanship and the winner of the trophy, "The Doughboy of the West," will be decided. Following the rifle course, the advanced men will fire the pistol course for qualification. The three remaining weeks will be devoted to the use, nomenclature and firing of the machine gun, in conjunction with the various demonstrations put on by the regulars for the benefit of the students.

Every Wednesday afternoon the students are given a half-holiday to relieve the monotony of work. Tennis courts are available for those who wish to play. Baseball, volley ball and basket ball also receive their share of attention. In the evening a dance is given in the Hostess House for those who wish to attend. Society girls from Olympia, Tacoma and Seattle are brought to camp by the mistress of the Hostess House, whose duty it is to look after the pleasure of the camp men.

Leave is also given to the men from Saturday noon until Sunday evening. During this time the men may visit any of the points of interest in the surrounding vicinity.

FORMER STUDENTS MARRIED YESTERDAY

Eleanor Mitchell, '22, and Clyde (Spike) Baker, '21, were married in (Townsend) yesterday. William Mitchell, '24, brother of the bride, left Sunday to attend the ceremony.

Miss Mitchell has been teaching foreign languages and history in the Broadwater County high school since her graduation from the University. She was a member of Delta Gamma sorority.

Baker was a three-letter man in track while attending the University and set the record for the half mile which was broken two years ago by Bob Egan. He was also a pole vaulter. He is a member of Alpha Delta Alpha fraternity. He has a position with an Idaho lumber company.

O.A.C., U. of O., and Multnomah A. C. Are New Opponents for Next Year

Basketball, track and baseball schedules for the 1925 Grizzly teams were arranged at a meeting of the Pacific Coast and Northwest conference executives held at Eugene, Oregon, Saturday. Coach J. W. Stewart represented Montana.

Fifteen basketball games, 14 of which are conference games, are scheduled for the basketball team, which will open the season at Missoula with a game against Whitman, in place of making the usual jaunt west to start the season. Games with state teams will bring the scheduled number up to 18. Five meets, including the Seattle relay carnival, are scheduled for the track team, while the baseball team has a 10-game schedule.

The two-game series in both baseball and basketball were abolished by a conference ruling made at the joint meeting. The Pacific Coast conference meet will be held at Corvallis, Oregon, next year.

After the Whitman game January 10, the Grizzly basketball team has two more games on the home floor before making the first western trip, playing Washington State college January 17 and Idaho January 24. Immediately after the Idaho game, the team begins its first western trip, which will include six games, one of which will be played with the Multnomah Athletic club of Portland at that city January 31. Returning home, the Grizzly quintet meets the Gonzaga Bulldogs February 6. Games with the School of Mines and Mt. St. Charles are scheduled tentatively for February 9, 10, 11 and 12.

The second trip, which will be made about the middle of February, includes games with Washington State, Whitman, Idaho and Gonzaga. The University of Washington meets the Grizzlies at the University gym February 23 in the closing game of the season.

Montana will send a relay team to the Seattle relay carnival, which is set for May 2. Efforts are being made to secure a triangular track meet for May 16, the day after the 1925 Interscholastic meet, with Whitman and Gonzaga competing against Coach Jim Stewart's team. The Grizzlies meet Washington State college at Pullman in the first dual meet, and tackle the Idaho Vandals at

This is the first time that the class in creative writing and the class in dramatic presentation have combined in presenting a work that is original and distinctive of Montana. Dropping the Pilot

THE proposed change of the name of the Women's Self-Governing association to the Associated Women Students is a piece of frank diplomacy. It is not known whether the movement is impelled by a feeling that that old horrid bugbear name, "Woosga," has fallen into disrepute through the taunts and jibes thrown at it by spoken and written word or whether the change is actuated by higher and loftier thoughts in an endeavor to openly confess the truth.

The dreams of every dean of women at Montana since the founding of this organization must have been haunted by a terrible picture of Truth, the naked Truth, writhing in the shadow of that grim, foreign phrase, "Self-Governing". Think of the hundreds of women, now passed beyond these gates, who

were inculcated with a spirit of ethics, but wonderingly gazed at that phrase, "Self-Governing".

No longer will fresh-faced women matriculants, green from the ethical firesides of home, be forced to witness that spectre camouflaging Truth. We heartily endorse the action to be taken. It is ridiculous to use such a long, meaningless phrase in describing the mob action of our coeds. Although these are the same women who are to go forth and vote and take an active part in the shaping of the affairs of our state and nation, it is best to face the truth and drop the "Self-Governing".

Whelps and Whelps

SOME dastard has been poisoning dogs in the community during the past two weeks.

The campus has always been a friendly home for canines, large and small, pedigreed and unbiased. Oftentimes their barks have annoyed professors and students deep in the throes of some intricate problem, but more often their friendly wag of the tail has been a cheerful harbinger to an harassed student or professor.

Many of the community dogs are day students at the University, taking their share of candy and fights, walking about with the students and making the world an even better place to live in. Yell Kings and their entreaties for student turnouts act not half so forcibly as the sudden hubbub and tumult of a lusty dog-fight, in which there have been to date little or no casualties. A laugh is worth a lot to all of us, and "Laddie," "Ring," "Tam" and the rest have furnished us with many of them. Harmless little "Scotty," the wire-haired fox-terrier, passed on as the first martyr to the poisoning.

There are all kinds of people in the world, but a wilful dog-poisoner is a pervert of a strange type.

OLDER WILL APPEAR IN CONCERT JUNE 4

Mr. Adler has studied for several years under Rudolph Ganz, at present director of the St. Louis Symphony orchestra; Raphael Joseff of New York, and M. Phillippe of Paris. One of Mr. Adler's selections, a chorale, will be given at the recital. In this work, "God Speaks to Travelers by Night," he has set to music a poem written by Professor Hal S. White of the English department.

The program which will be given Wednesday night is as follows:

- I. Minuet Purcell
- II. The Sea McDowell
- III. Three Preludes Chopin
- IV. Mazurka Chopin

Mort Donoghue to Edit San Francisco Herald

Mortimer J. Donoghue, ex '16, a former student in the School of Journalism, has been appointed executive editor of the San Francisco Herald.

With the entrance of the United States into the World war, Mr. Donoghue joined the ranks and spent the greater part of his time in the trenches of France. Upon receiving his discharge from the army, Mr. Donoghue went to Washington, D. C., where he became secretary to Representative Washington J. McCormick. He also attended the law school at Georgetown University, from which he was graduated with honors.

With the expiration of Congressman McCormick's term, Mr. Donoghue went to California where he accepted a position with the Los Angeles Illustrated News staff. Starting as utility man in the editorial department, Mr. Donoghue rose to the position of feature editor. Later he became Sunday and pictorial editor, which position he held until his advancement to the executive editorship.

Jobs for Past Month Have Been Plentiful

More odd jobs were offered to students in May than any other month during the school year with the exception of October, according to Lawton Beckwith, secretary of the Student Employment bureau. Eighty jobs were offered during the month, of which 77 were filled. The remainder were lost because no students could be found to take them.

Beckwith says that all those wishing work who plan to attend summer school should turn in a schedule of free hours. There are several jobs open for students who wish to sell articles from house to house, and anyone interested in this sort of work should see Beckwith immediately.

ROTC Battalion to Hold Final Assembly Friday

The final assembly of the Grizzly battalion will be held on the ROTC drill field at 3 o'clock Friday, June 6. A review of the battalion will be held on the oval at 4:30 o'clock in honor of the graduates of the military department and the sponsors.

Immediately following the assembly on the drill field there will be an inspection of every man in the battalion and each man will be graded as follows: (1) personal appearance; (2) cleanliness of rifle (the armory will be open all week from 9 to 4 o'clock).

The above, in addition to absences, demerits, special credits and recommendations of instructors and cadet officers, will determine the final grade of all students.

Freshmen Fail to Attend Final Meeting of Year

Jack Dimond, president of the freshman class, called off the meeting that was scheduled for Monday afternoon, as there were only about twenty members present. There was to have been an election of officers for next year. There will be no more meetings this year.

FORMER STUDENT VISITS

Florence Benson, who received her B. A. in English in 1919, arrived in Missoula Sunday from Bear Creek, where she has been teaching in the high school. Miss Benson will leave June 9 for New York City to enroll in Columbia University to complete her work for an M. A. degree. On her way east she will attend the commencement exercises at Antioch College in Yellow Springs, Ohio. Miss Benson is a guest at the Kappa Delta house.

GRADUATES VISIT

Gertrude Karcher '23 and Ruth James '22 are guests at the Alpha Phi house. Miss Karcher has been matron at the county high school in Jordan, and Miss James has been teaching in Lewiston, Idaho.

Lillburn Ashford, ex '25, expects to compete in the Olympic tryouts in New York next month. Ashford, who is now in the regular army and stationed in the Hawaiian islands, is the champion half-miler of the Hawaiian division of the United States army.

ALPHA PHI CONVENTION WILL BE HELD IN PARK

Reservations Coming in Rapidly From Actives and Alumnae in All Chapters

Reservations for the twenty-seventh biennial convention of Alpha Phi fraternity, with headquarters at Many Glaciers hotel, Glacier National park, are coming in very rapidly according to Benlah Trotter, chairman of accommodations.

The 26 active chapters of the fraternity will each be represented by one official delegate, while the alumnae chapters also send delegates. At the present time Nu chapter at the University of Nebraska has made the largest number of reservations, with six of the active chapter signifying their intentions of attending.

A special train is to be scheduled from Chicago to the park, while special sleepers will be used by the girls coming from the west. The Blackfeet Indians will act as a reception committee for the Alpha Phis when they arrive at Glacier park station.

SENIORS UNDECIDED ON GIFT TO SCHOOL

A senior meeting was held Monday at 4 o'clock in the auditorium. No satisfactory arrangement for the disposal of the senior money could be decided upon, so another meeting will be held later in the week, according to Olive McKay, vice president.

NOTICE

All receipted bills for health service for last quarter must be in by June 4, according to Mrs. A. F. LeClaire, school nurse. In this way money may be refunded to the students before leaving for home.

University Student Reveals Talent as Professional Actor

Unknown to Roger Williams the school has produced new talent along the dramatic line. It did not take the Maude Henderson stock company, playing at the Liberty theater, long to find this talent. In the afternoon of their arrival, for some unknown reason, they were short a detective. But the loss of a detective did not stop this company. They called up the Bear Paws and told the boys their troubles. Always willing to help, the Bear Paws supplied one of their members to take the part. He did it nobly; at least no one knew the difference until one of the juvenile actor's fraternity brothers could keep the secret no longer and told the whole story.

The ex-detective is now the proud possessor of a season pass to the Liberty theater. For the benefit of the Masquers the address of this talented young person is 829 Gerald avenue, Missoula, Montana.

WSGA WILL MEET TO AMEND RULES; MAY CHANGE NAME

ASSOCIATED WOMEN STUDENTS
SUGGESTED AS NEW NAME

Present Point System to Be Continued;
Committee for Next Year
Appointed

The last WSGA convocation of the school year will be held Wednesday, June 4, at 11 o'clock. Rules and regulations for next year will be adopted. The advisability of changing the name from Women's Self Government Association to Associated Women Students, as well as incorporating the Women's Athletic association as a part of WSGA, will be discussed.

The point system committee, elected for next year, is as follows: Stella Skalaason, Gertrude Lemire, Alva Larson, and Genevieve Heaney.

The rules under which it is proposed to incorporate the Women's Athletic association with WSGA are as follows:

1. There shall be a standing athletic committee composed of an athletic chair-

man, the staff of the women's physical education department, and the manager of sports.

2. The athletic chairman is to be appointed by the WSGA executive board and a member of the athletic board.

3. The managers of sports will be chosen by the WSGA board upon the recommendation of the athletic committee.

4. As a reward, sweaters of white with maroon "Old English" M's are to be given to the girls fulfilling the following requirements:

1. 150 points in athletics.

2. Sportsmanship.

In order that members may have a clear idea of the rules, they are here-with printed, with changes suggested by the executive board.

1. On Sunday, Monday, Tuesday, Wednesday, and Thursday nights members of WSGA shall be in their homes not later than 10:30. Callers not to remain later than 10:30.

2. On Friday night, Saturday night and nights preceding all University holidays, the hours may be extended to 12:15; this later hour applies for dances, movies, theaters, supper parties, or parties in the home.

3. These regulations shall not be waived at any time except during the Christmas holidays.

4. The hours in regulation 1 may be extended by the proctor from 10:30 to an hour not later than 12:15.

5. Rule 5 has been eliminated, abolishing house books.

6. Members shall not leave the city without the permission of the Dean of Women. In case of extreme emergency word should be sent at the earliest opportunity.

8. This rule, concerning a quiet study period in sorority houses, has been left to the discretion of the various houses.

9. Members going on hikes or automobile trips shall inform their respective house-mothers as to the direction of such hike or automobile trip. All freshmen and sophomore girls shall return to their respective homes before dark unless accompanied by a chaperone approved by their respective house-mothers. This chaperone may be a junior or senior girl.

10. Senior girls, by virtue of their rank, are placed upon their own responsibility. It is suggested, however, that they do not unduly avail themselves of their privileges.

11. Proctors shall report each week at the WSGA office all infringements of regulations for the week past.

This rule abolishes the use of house books in sorority houses.

The above rules will be published in the student hand book published each

year by the ASUM and WSGA. Following the rules will be a detailed point system, for regulating the number of activities which may be participated in by one girl during a single year, and encouraging the largest number of students to become actively interested in the work of college enterprises.

Sport Squibs

Montana made less points this year in the conference meet than they have for several years, but the future has a bright glow. With the aid of the incoming sophomores, Coach Stewart predicts a conference victory for next year.

Sweet would have had but little trouble in winning the 220-yard dash, as it was made in 23 1-10 seconds. His time is 22 flat.

Ralph Spearow, Oregon vaulter, in attempting to break the world's record in the pole vault, missed by a hair. On his last trial his legs and body were over the bar, but his arms trailed too low. Spearow is holder of the intercollegiate pole vault record.

Shaffer has been off his form in the discus for nearly a month, and has made

rather short throws in all his meets. Coming to the peak of form early in the season, he has not been getting the same heaves since.

At that, his mark of 144 feet, 3 inches is the sixth longest recorded throw in the United States this year. The heaves made by the athletes in the big four meet in the east were made with a high wind, and will not count as records. Shaffer's work is on a par with that of Hauser, Anderson and Lang of California.

Robert Egan, ex-Grizzly track captain, would have been a cinch on the Olympic track team this year if he had gone into training. His best mark was 50 seconds flat in the quarter, and but one runner in the country has made that time this year.

Axtell, though not placing in the discus and shot put, did not fall down on the work he has done in practice this year. Better men than he were eliminated in the preliminaries the first day, through hard luck and the vagaries of the wind.

In a field of eight quarter-milers, Milton Ritter placed fifth. Ritter is inexperienced in running, and was boxed while coming around the last curve, thereby losing a commanding position in second place.
